

Genus *Rariloculus*

Etymology

[Ra.ri.lo.cu'lus] **L. masc. adj.** *rara*, rare; **L. masc. adj.** *loculus*, a little place; **N.L. masc. n.** *Rariloculus*, a rare bacterium in its habitat

Nomenclatural type

Species *Rariloculus versatilis*^{Ts}

Description

a sponge-associated bacterium found in low abundances in its habitat

Classification

Bacteria » *Pseudomonadota* » *Gammaproteobacteria* » *Rariloculales* » *Rariloculaceae* » *Rariloculus*
