

## Species *Poriferihabitans thioversatilis*<sup>Ts</sup>

---

### Etymology

[thi.o.ver.sa.ti'lis] Gr. neut. n. *theîon*, sulphur; L. fem. adj. *versatilis*, versatile; N.L. fem. adj. *thioversatilis*, versatile sulfur metabolism

### Nomenclatural type

[NCBI Assembly: GCA\\_028285795.1](#)<sup>Ts</sup>

### Description

A sponge symbiont with a versatile sulfur metabolism

### Classification

*Bacteria* » *Pseudomonadota* » *Gammaproteobacteria* » *Arenicellales* » *Poriferihabitaceae* » *Poriferihabitans* » *Poriferihabitans thioversatilis*<sup>Ts</sup>
