

## Species *Aphanothece variabilis*

---

### Etymology

*variabilis*

### Nomenclatural type

Unknown

### Classification

*Bacteria* » *Cyanobacteriota* » *Cyanophyceae* » *Chroococcales* » *Aphanothecaceae* » *Aphanothece* » *Aphanothece variabilis*

### References

Effective publication: Komárek, 1995 [1]

Assigned taxonomically: Komárek, 1995 [1]

### Registry URL

<https://seqco.de/i:34307>
