

Species *Phosphoribacter tyrii*

Etymology

[ty'ri.i] **N.L. gen. n.** *tyrii*, from Tyr, Norse of god of war and justice

Nomenclatural type

[NCBI Assembly: GCA_016711095.1](#) ^{Ts}

Description

The MAG representative for this species was isolated from activated sludge, wastewater treatment plant located in Hirtshals, Denmark

Classification

Bacteria » *Actinomycetota* » *Actinomycetes* » *Micrococcales* » *Dermatophilaceae* » *Phosphoribacter* » *Phosphoribacter tyrii*
