

Genus *Methyloraptor*

Etymology

Methyloraptor

Nomenclatural type

Species *Methyloraptor flagellatus*^T

Classification

Bacteria » *Pseudomonadota* » *Alphaproteobacteria* » *Hyphomicrobiales* » *Ancalomicrobiaceae* » *Methyloraptor*

References

Effective publication: Saltykova et al., 2025 [1]
Assigned taxonomically: Saltykova et al., 2025 [1]
