

Genus *Polycladidibacter*

Etymology

Polycladidibacter

Nomenclatural type

Species *Polycladidibacter hongkongensis*^T

Classification

Bacteria » *Pseudomonadota* » *Alphaproteobacteria* » *Hyphomicrobiales* » *Stappiaceae* »
Polycladidibacter

References

Effective publication: Hinger et al., 2020 [1]
Assigned taxonomically: Hördt et al., 2020 [2]
