

## Species *Bariatricus massiliensis*

---

### Etymology

*massiliensis*

### Nomenclatural type

Unknown

### Classification

*Bacteria* » *Bacillota* » *Clostridia* » *Lachnospirales* » *Lachnospiraceae* » “*Bariatricus*” » “*Bariatricus massiliensis*”

### References

Effective publication: Bessis et al., 2016 [1]

### Registry URL

<https://seqco.de/i:24006>
