

## Family *Sporanaerobacteraceae*

---

### Etymology

*Sporanaerobacteraceae*

### Nomenclatural type

Genus *Sporanaerobacter*

### Classification

Bacteria » *Bacillota* » *Tissierellia* » *Tissierellales* » *Sporanaerobacteraceae*

### References

Effective publication: Fan et al., 2023 [1]

### Registry URL

<https://seqco.de/i:35154>
