

## Species *Candidatus Mesenet longicola*

---

### Etymology

[lon.gi.co.la.] N. L. masc. / fem. n. *longicola*

### Nomenclatural type

[NCBI Assembly: GCA\\_016860565.1](#)<sup>TS</sup>

### Classification

*Bacteria* » *Pseudomonadota* » *Alphaproteobacteria* » *Rickettsiales* » “Anaplasmataceae” » “Mesenet” » *Candidatus Mesenet longicola*

### References

Effective publication: Takano et al., 2021 [1]

### Registry URL

<https://seqco.de/i:600>
